MO MO

ILLVS ET REV
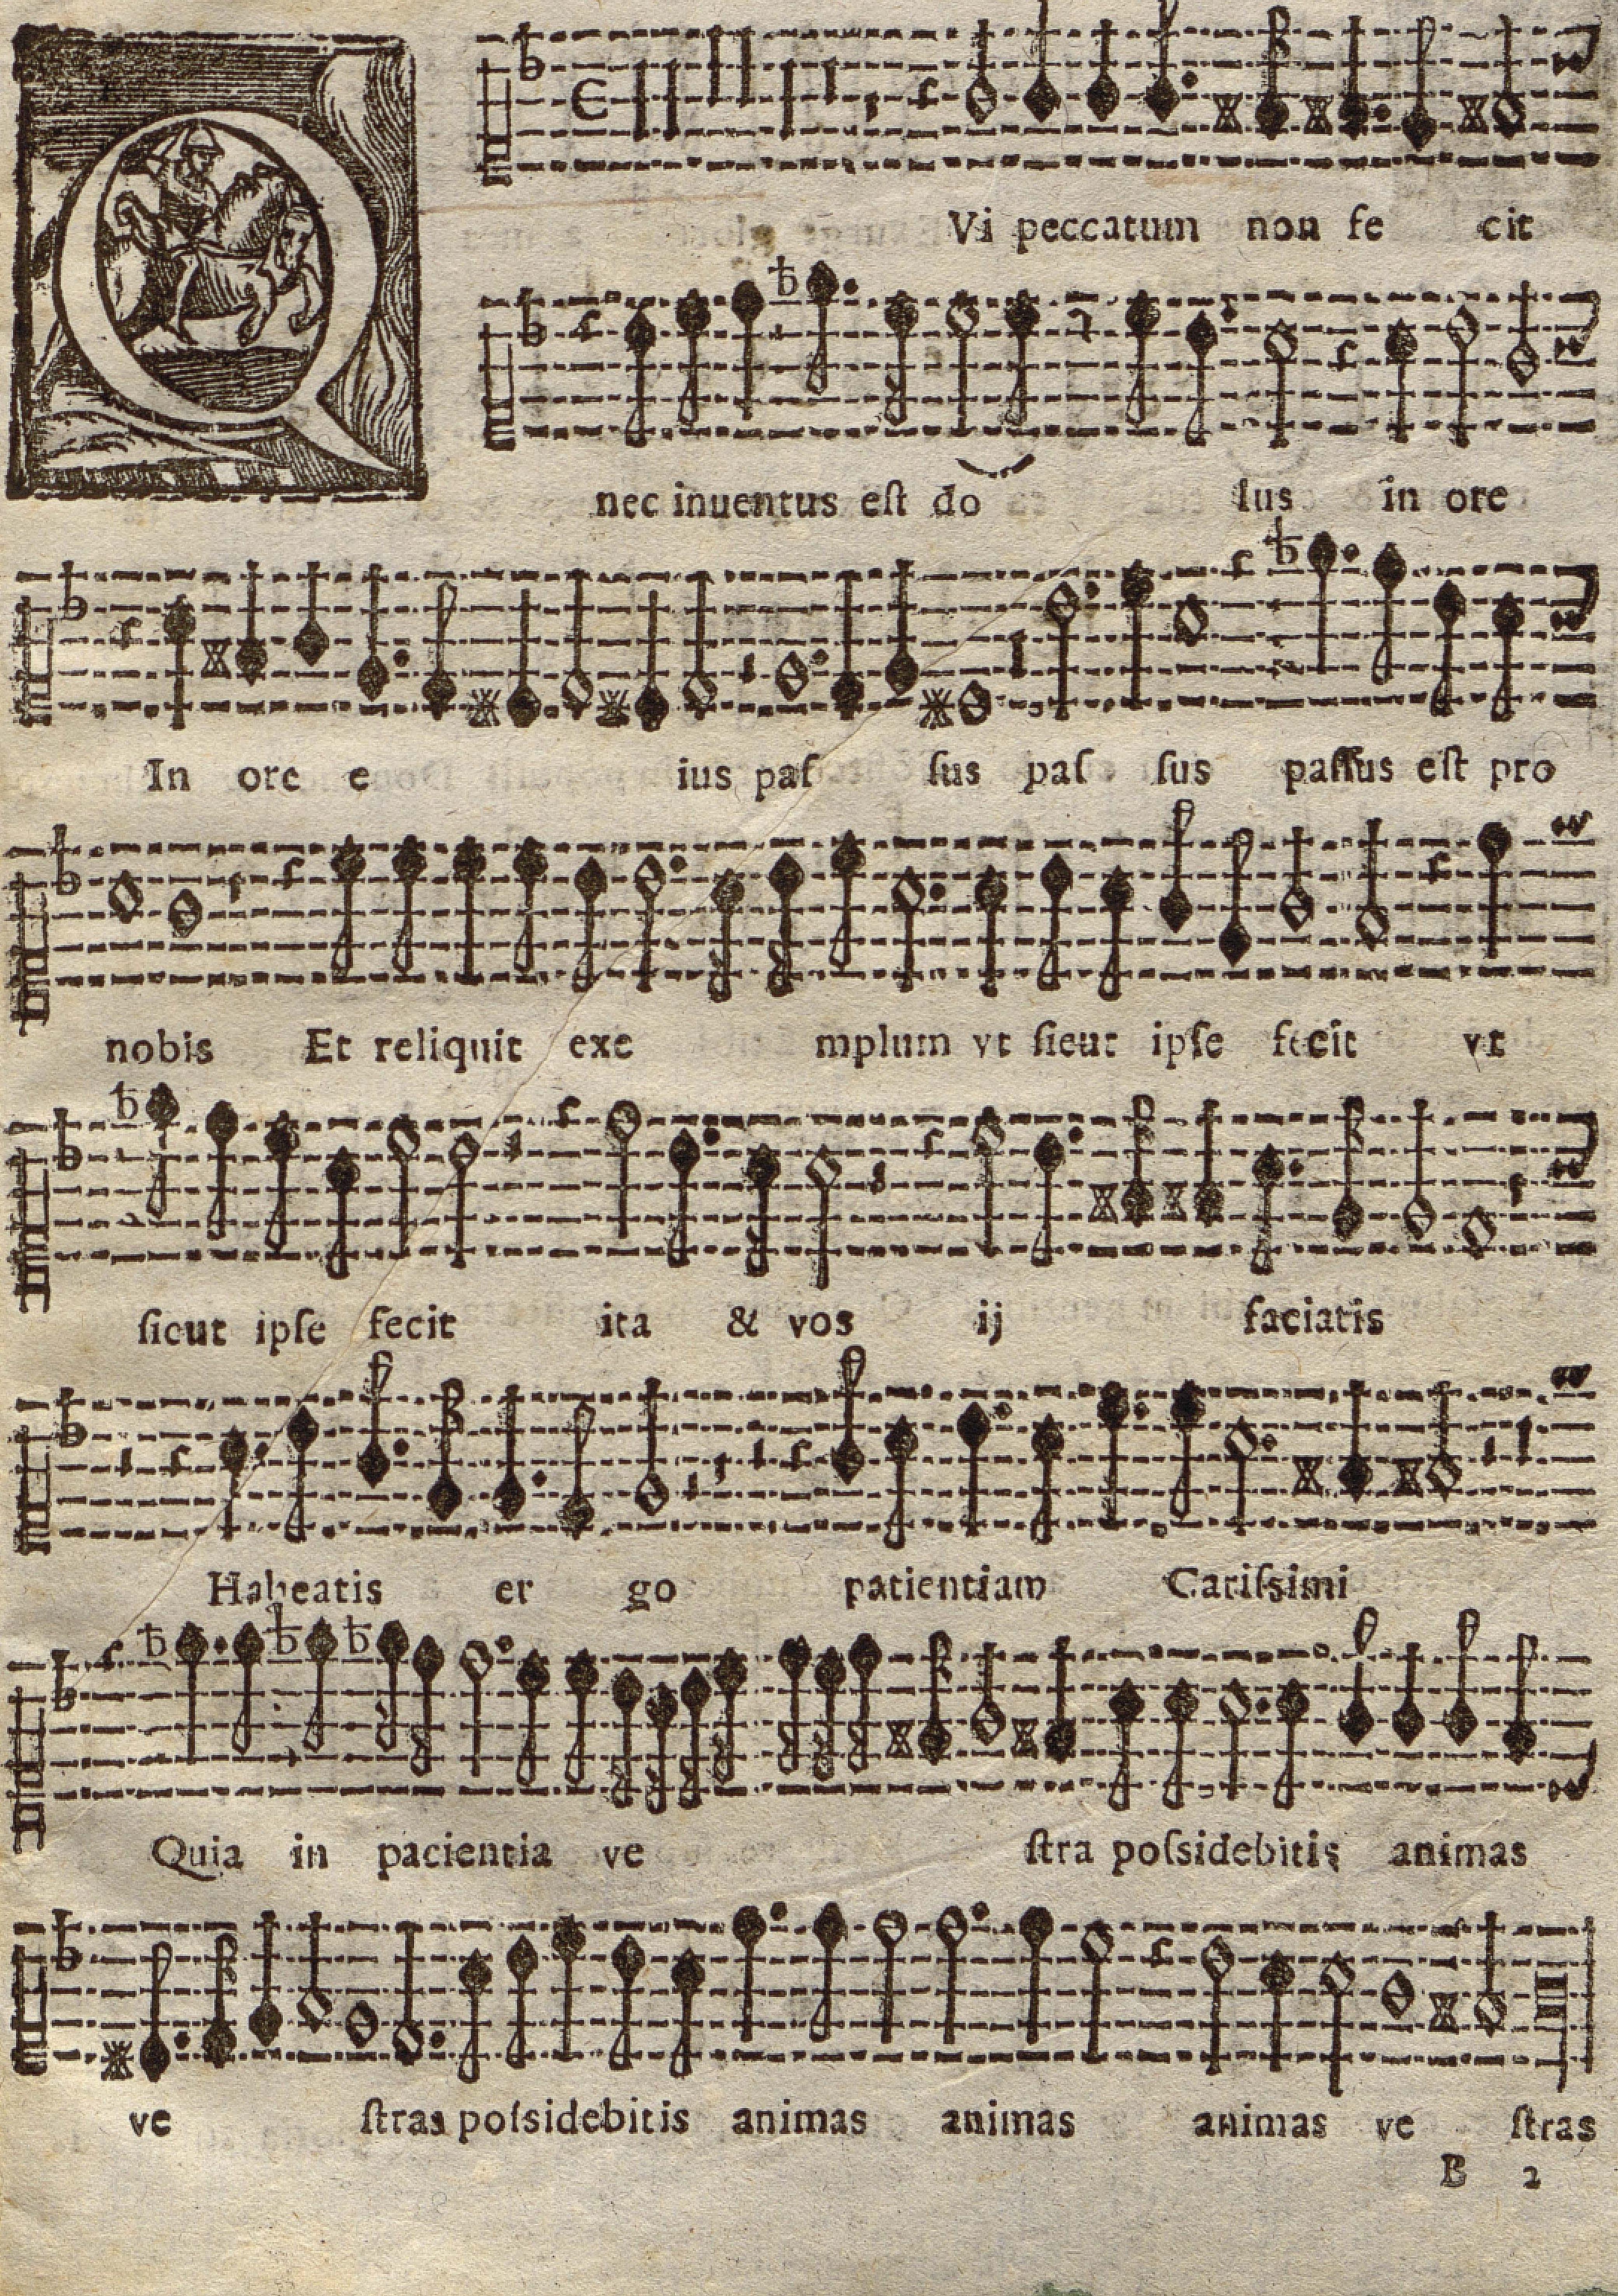

S. R. E. CARDINALI CAROLO MADRVTIO, TRIDENTI EPISCOPO, AC PRINCIPI AMPLISSIMO.
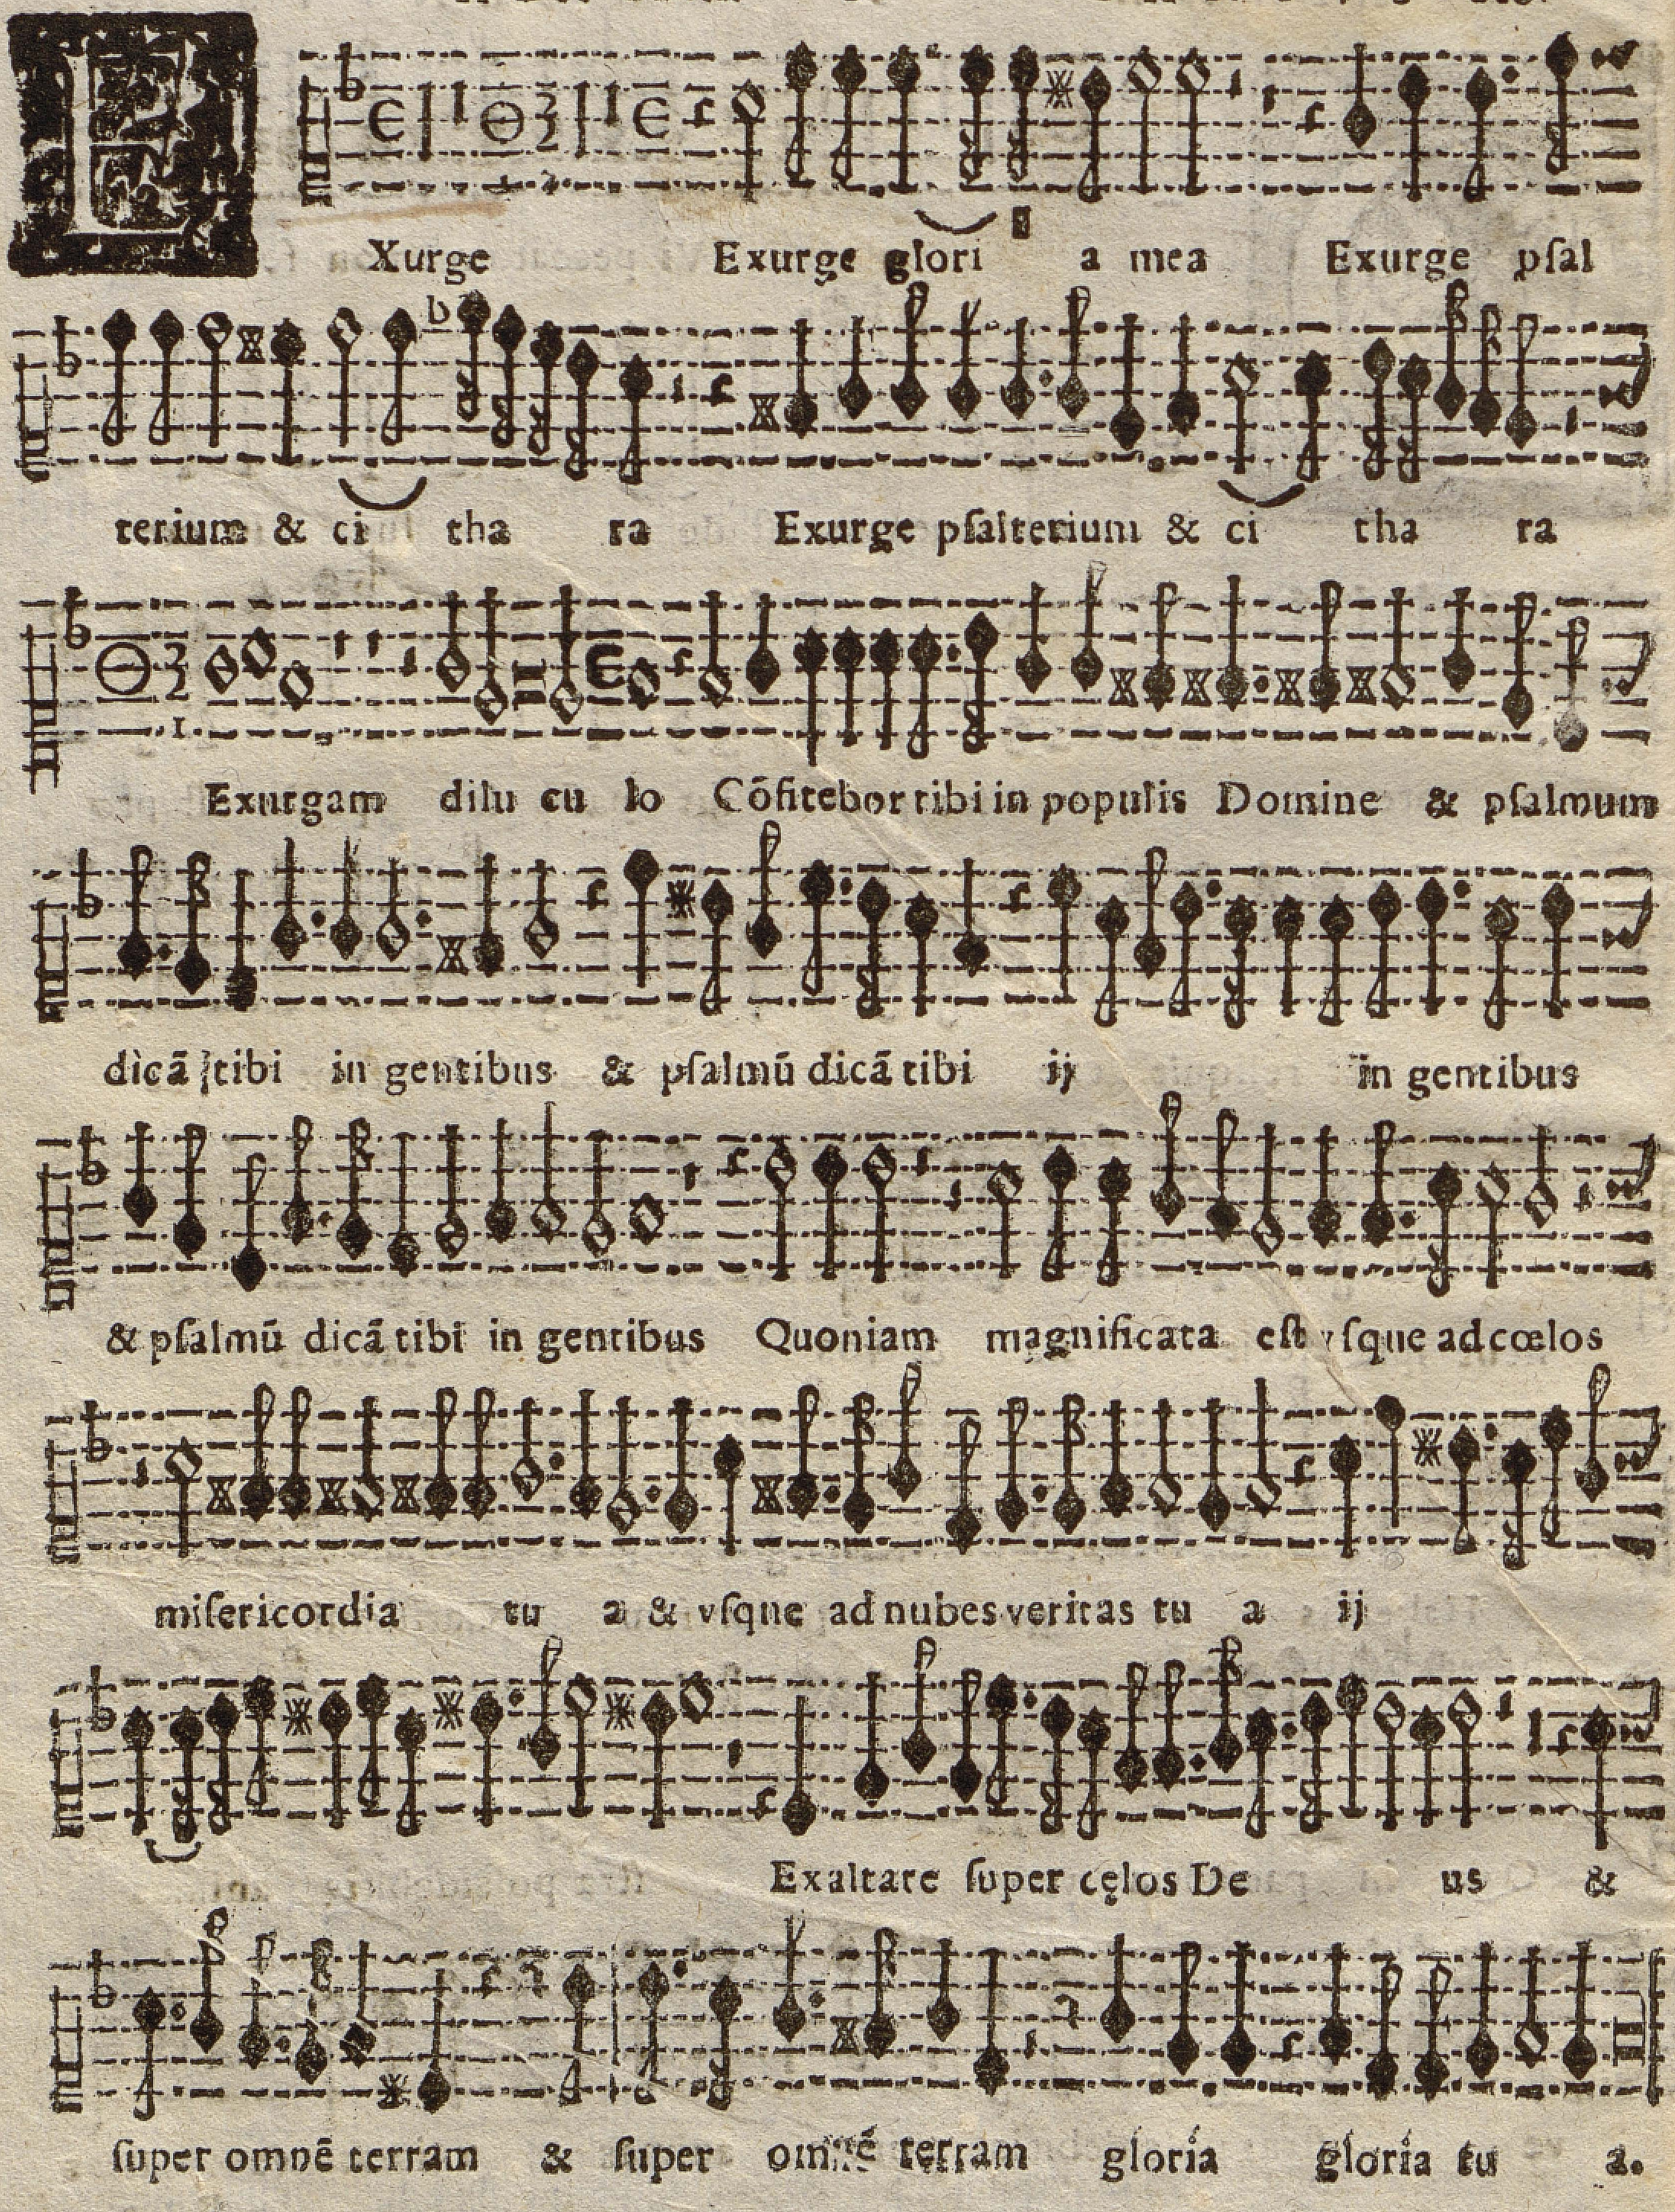

ANTIQVA, eaque laudabili consuetudine receptum est, vt scientia, doctrina, arteuè aliqua prediti, homines varia conficiant Opuscula, confecta in lucem edant, ac viro alicui, qui eiusmodi delectetur Opusculis, quique generis nobilitate, rebusque praclarè gestis insignis sit, consecrent, atque dedicent. Optima consuetudo, quamlibet imitari. At quis mihi eligendus, alijsque præferendus? Tu certè, Cardinalis Illustrissime, idemque egregiè Princeps. Etsi enim Taruisij vitam duco, in Ciuitate inquam ab Vrbe Tridento non parum distanti; tamen meritorum tuorum fama, quę loca quantumuis remota peruadit omnia, huc sępissimè prepetibus aduolat pennis, meque sic afficit, atque oblectat, vt de te cogitandi, de te loquendi nunquam finem facere queam. Quamobrem æquum erat, vt mea hęc in te propensio se tibi aliquando patefaceret. id autem efficit nunc hoc tertio Sacrarum Modulationum mearum Libro. qui tibi, si per se consideretur, vix erit gratus: est enim munus illa animi magnitudine, qua te ipsum quodammodo superas, minimè dignum. at si meę singularis in te obseruantię, eiusque quam dixi, propensionis ratio aliqua habeatur, profectò non gratus erit modò, sed gratissimus. Plura alia, quę dici possent, libenter omitto, meque pro tua incolumitate assiduè vota, precesque ad Deum effundentem, vt ames, vt foueas, vt protegas, te supplex oro, atque obsecro. Vale, Tridenti, immò Orbis vniuersi eximium decus, atque ornamentum: vale, eorum, qui Musicam profitentur, certissimum columen, ac præsidium.
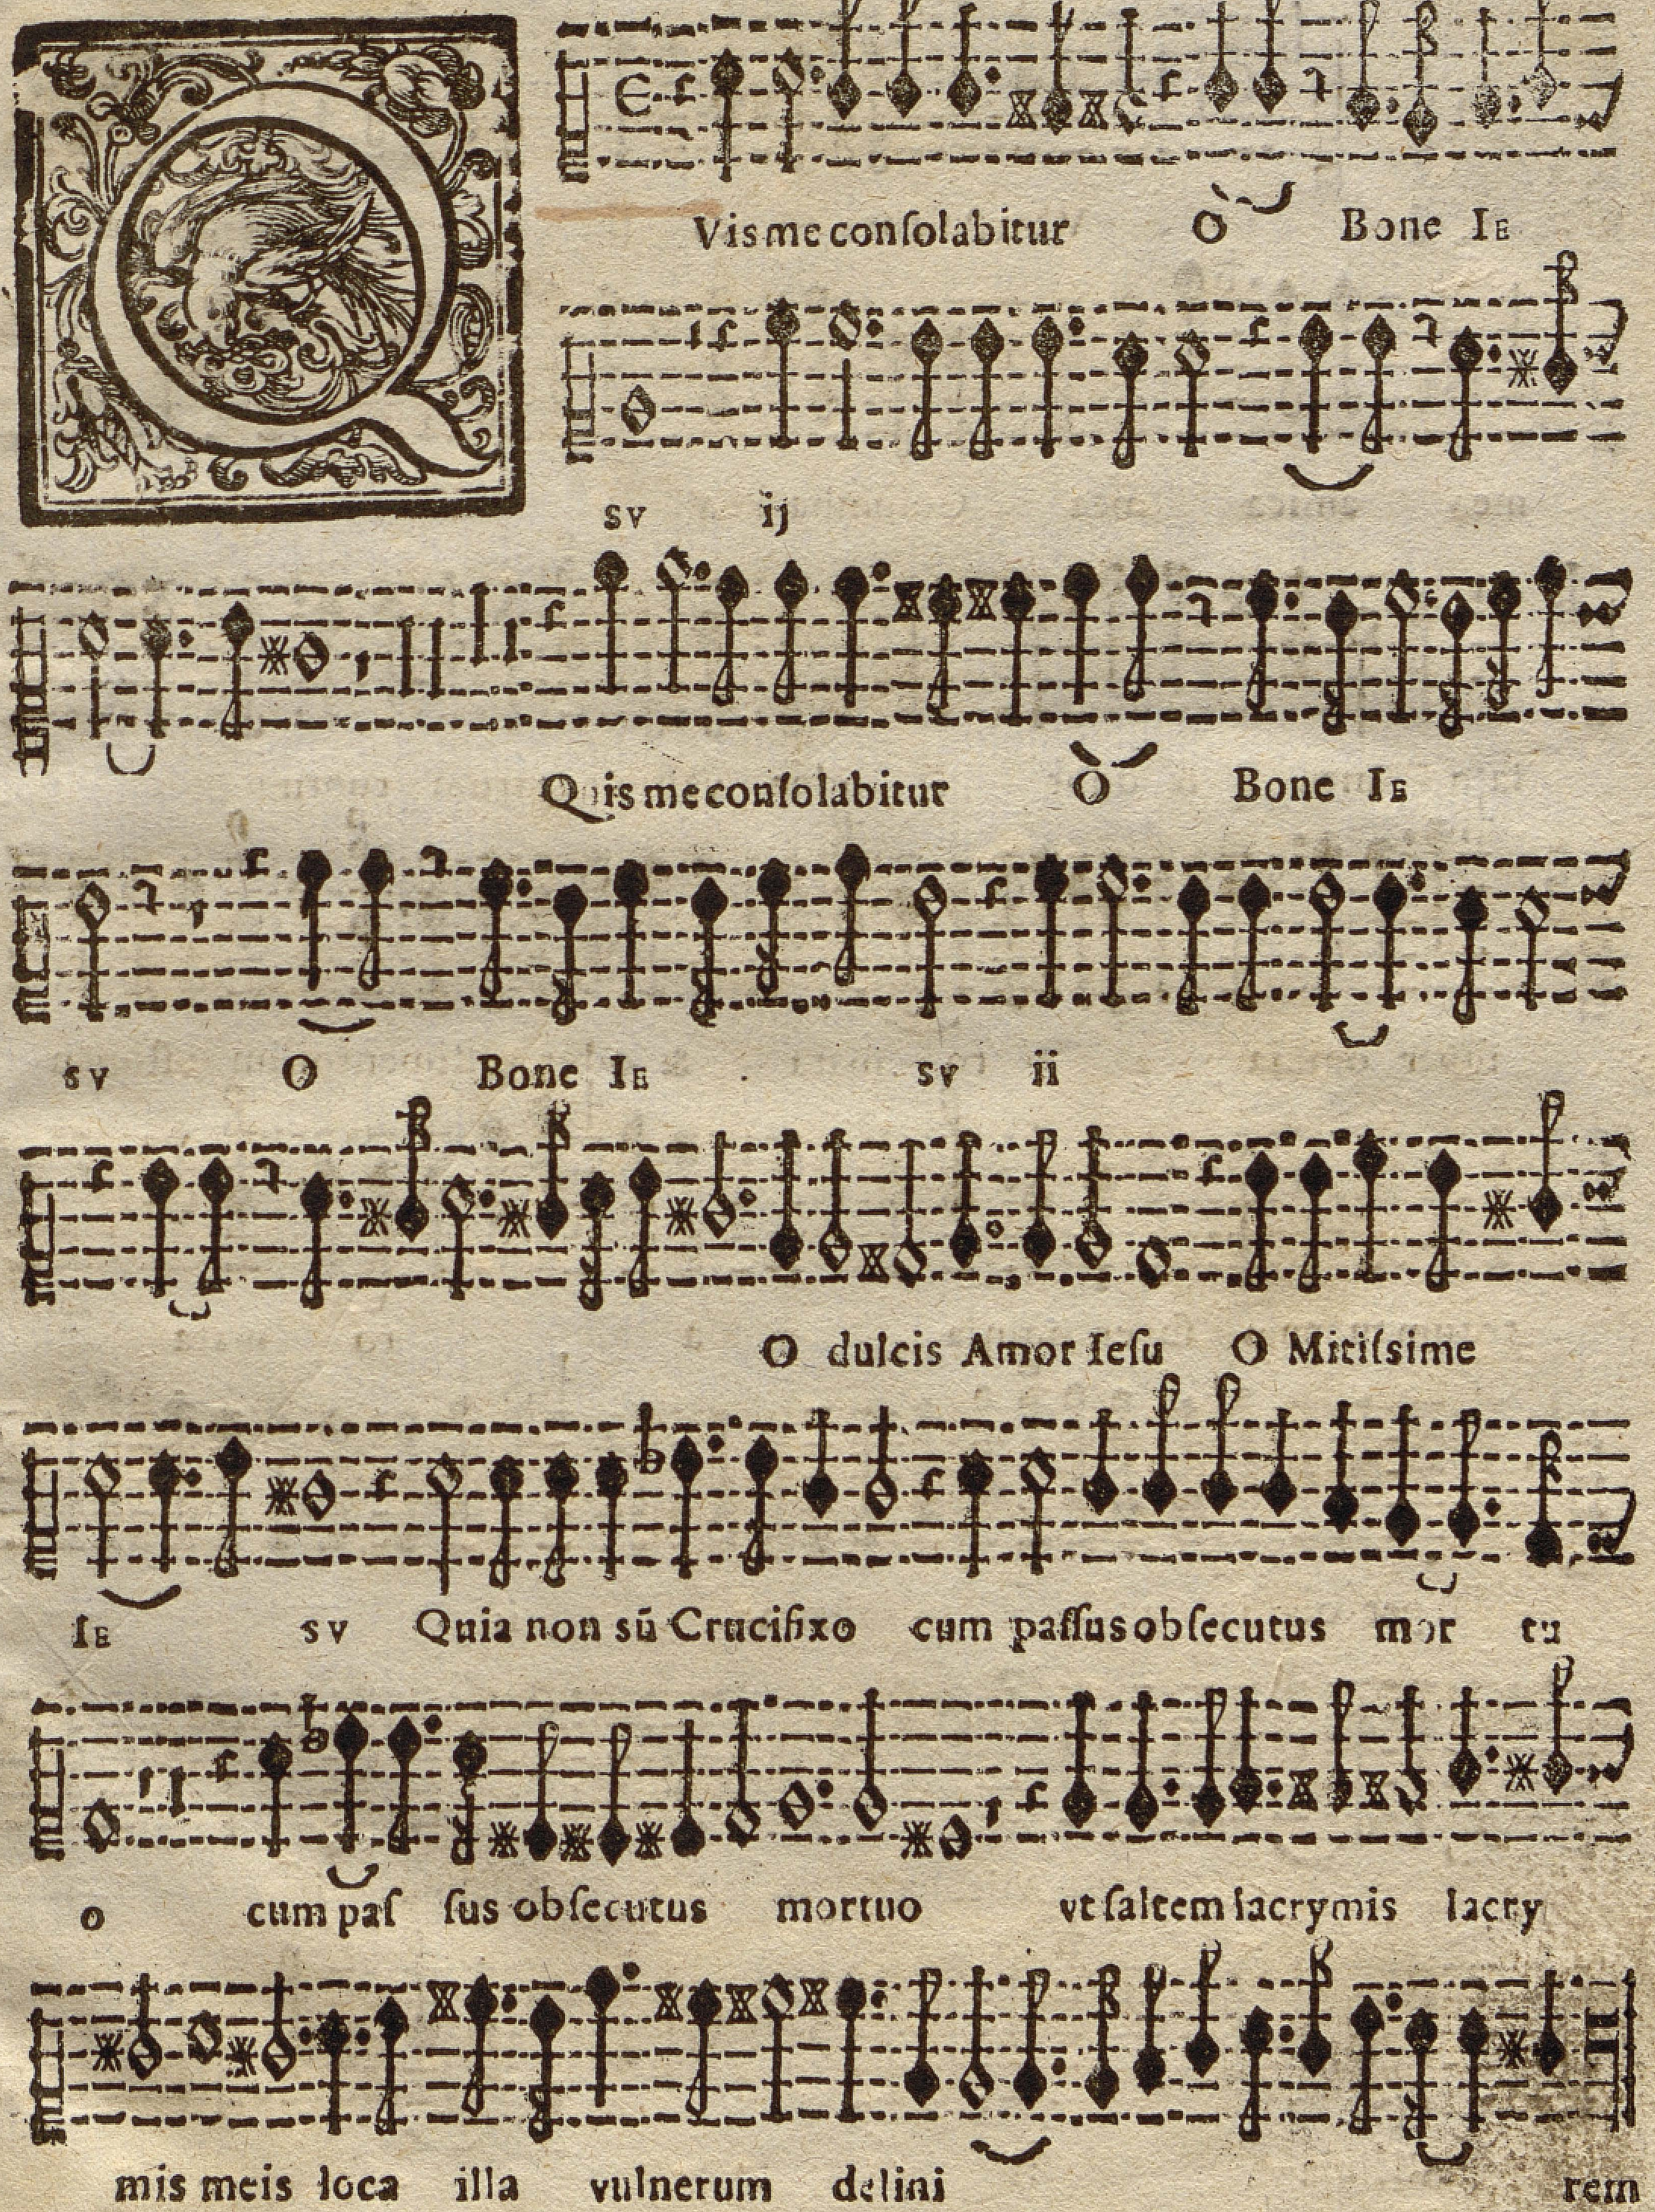

Datum Taruisij die 15. Augusti 1619.
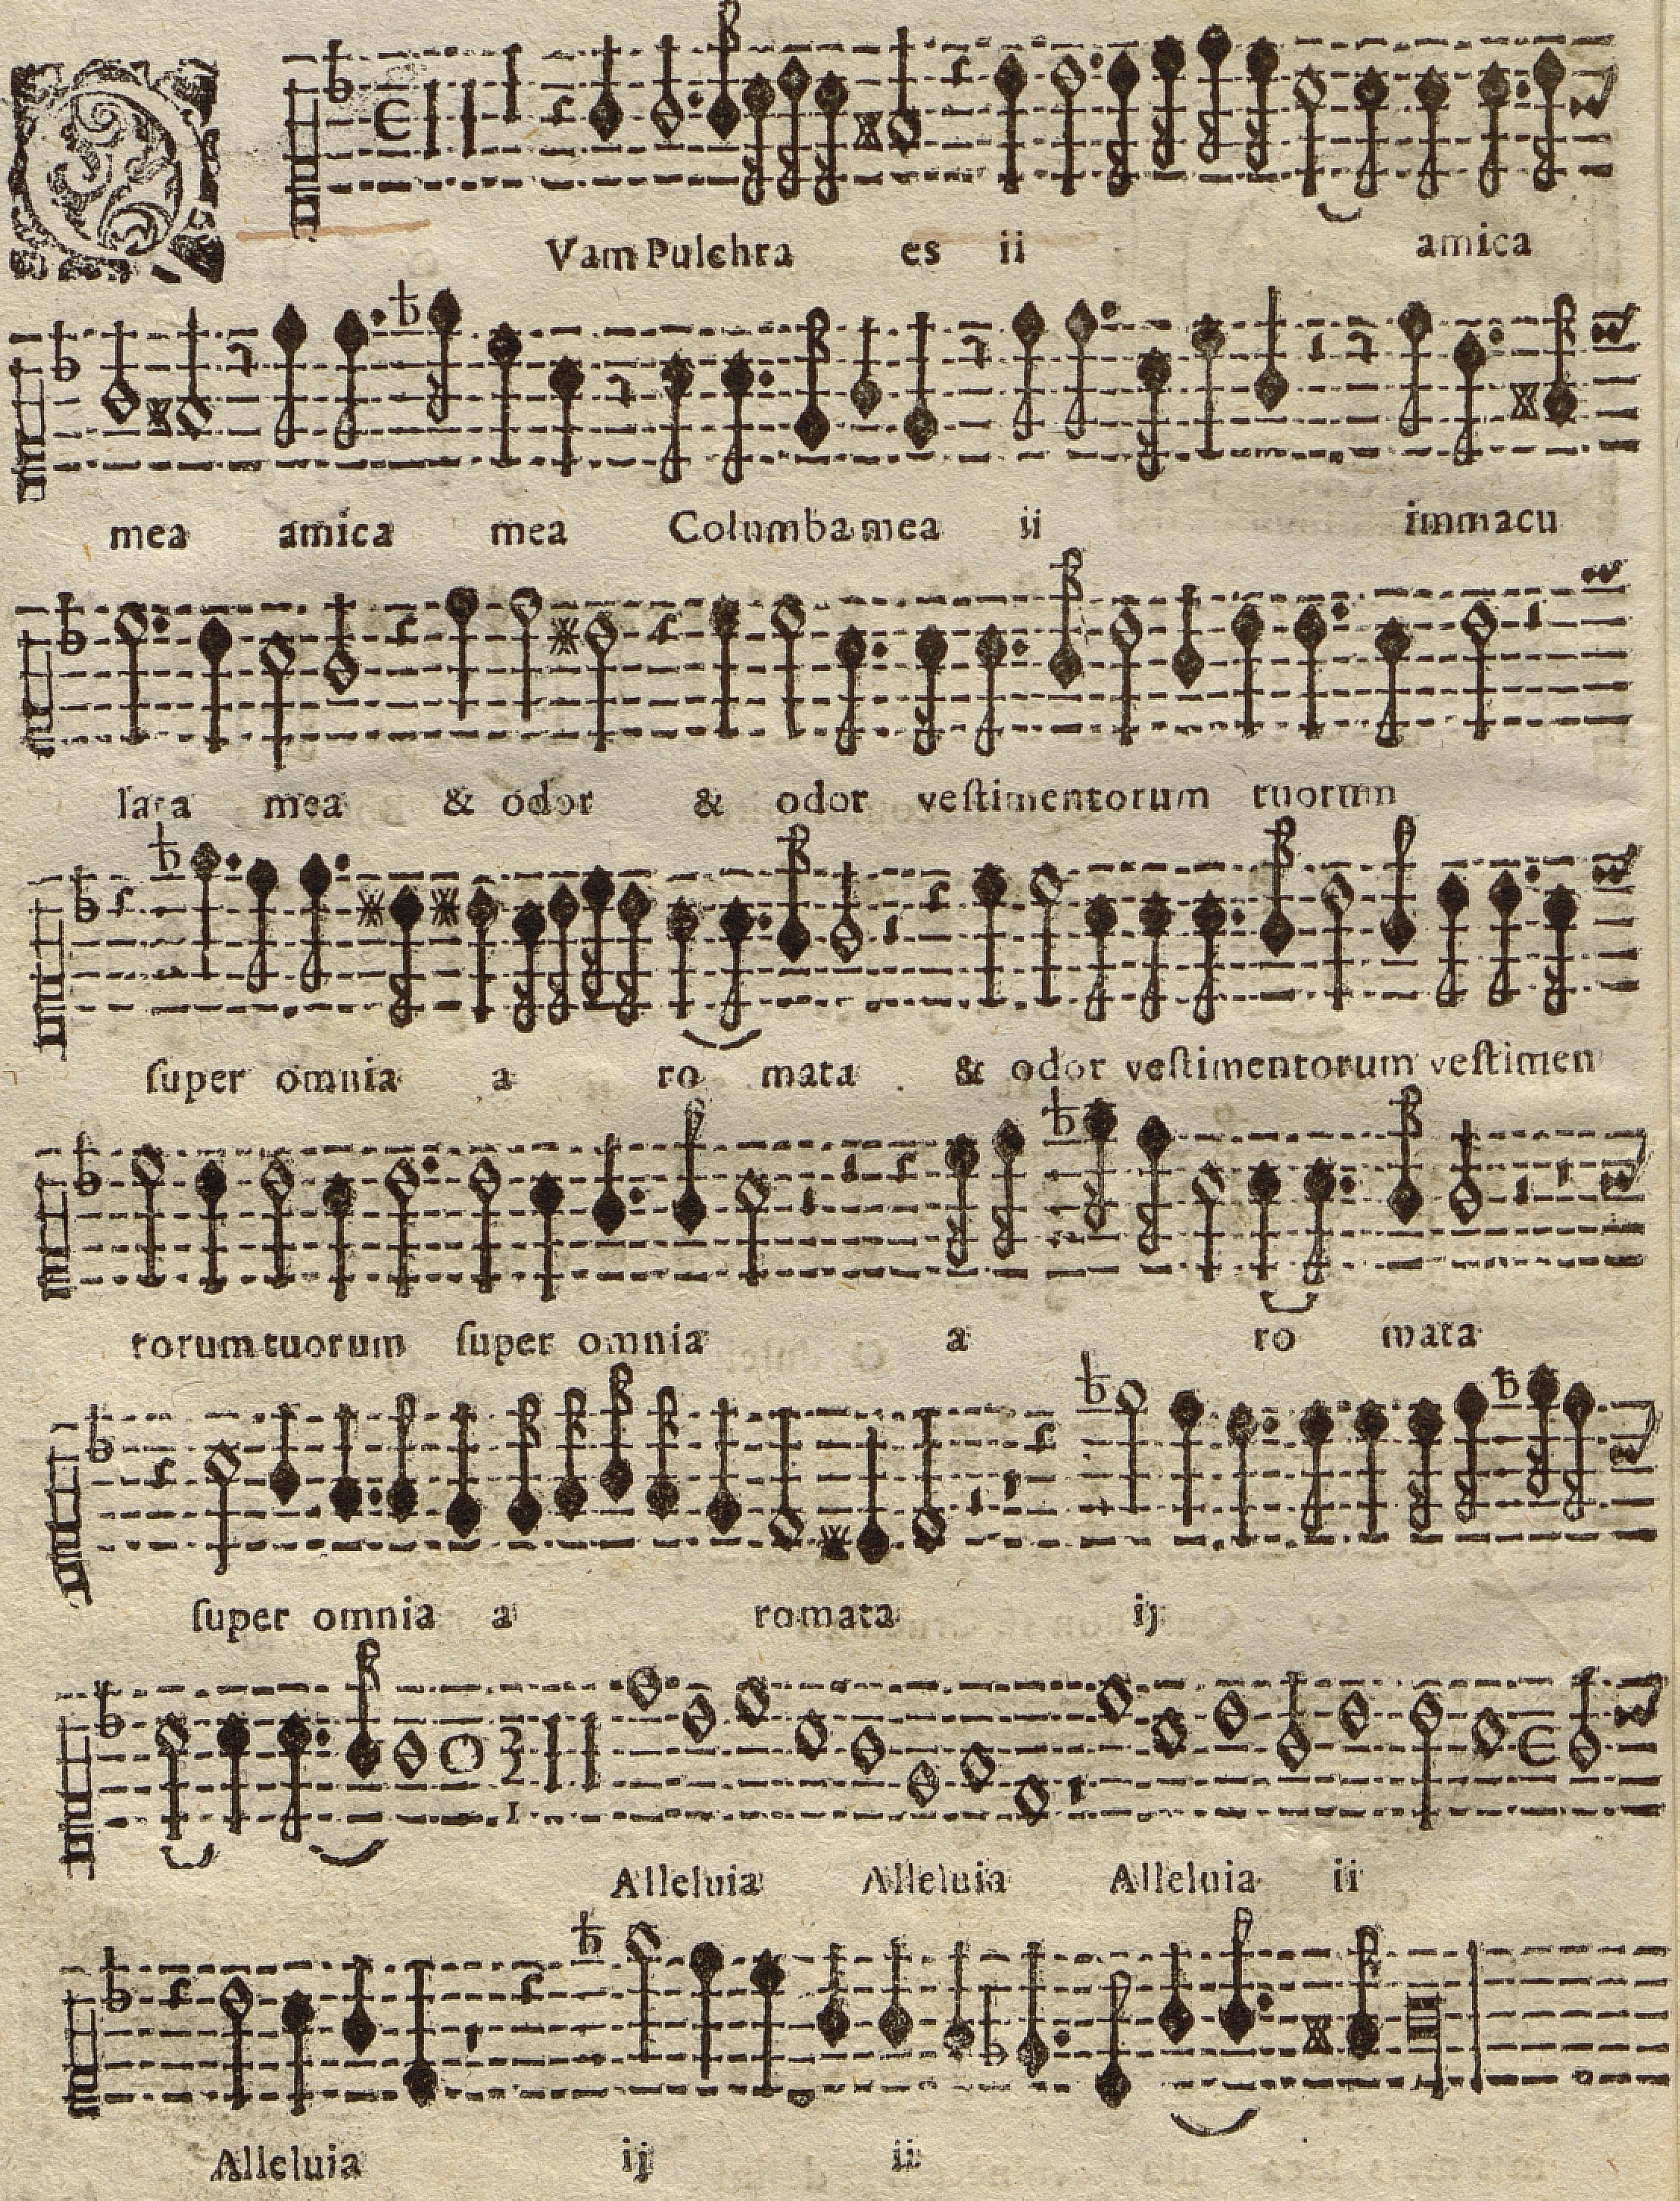

Amplitudinis tuę Illustrissimę ac Reuerendissimę Seruus humillimus
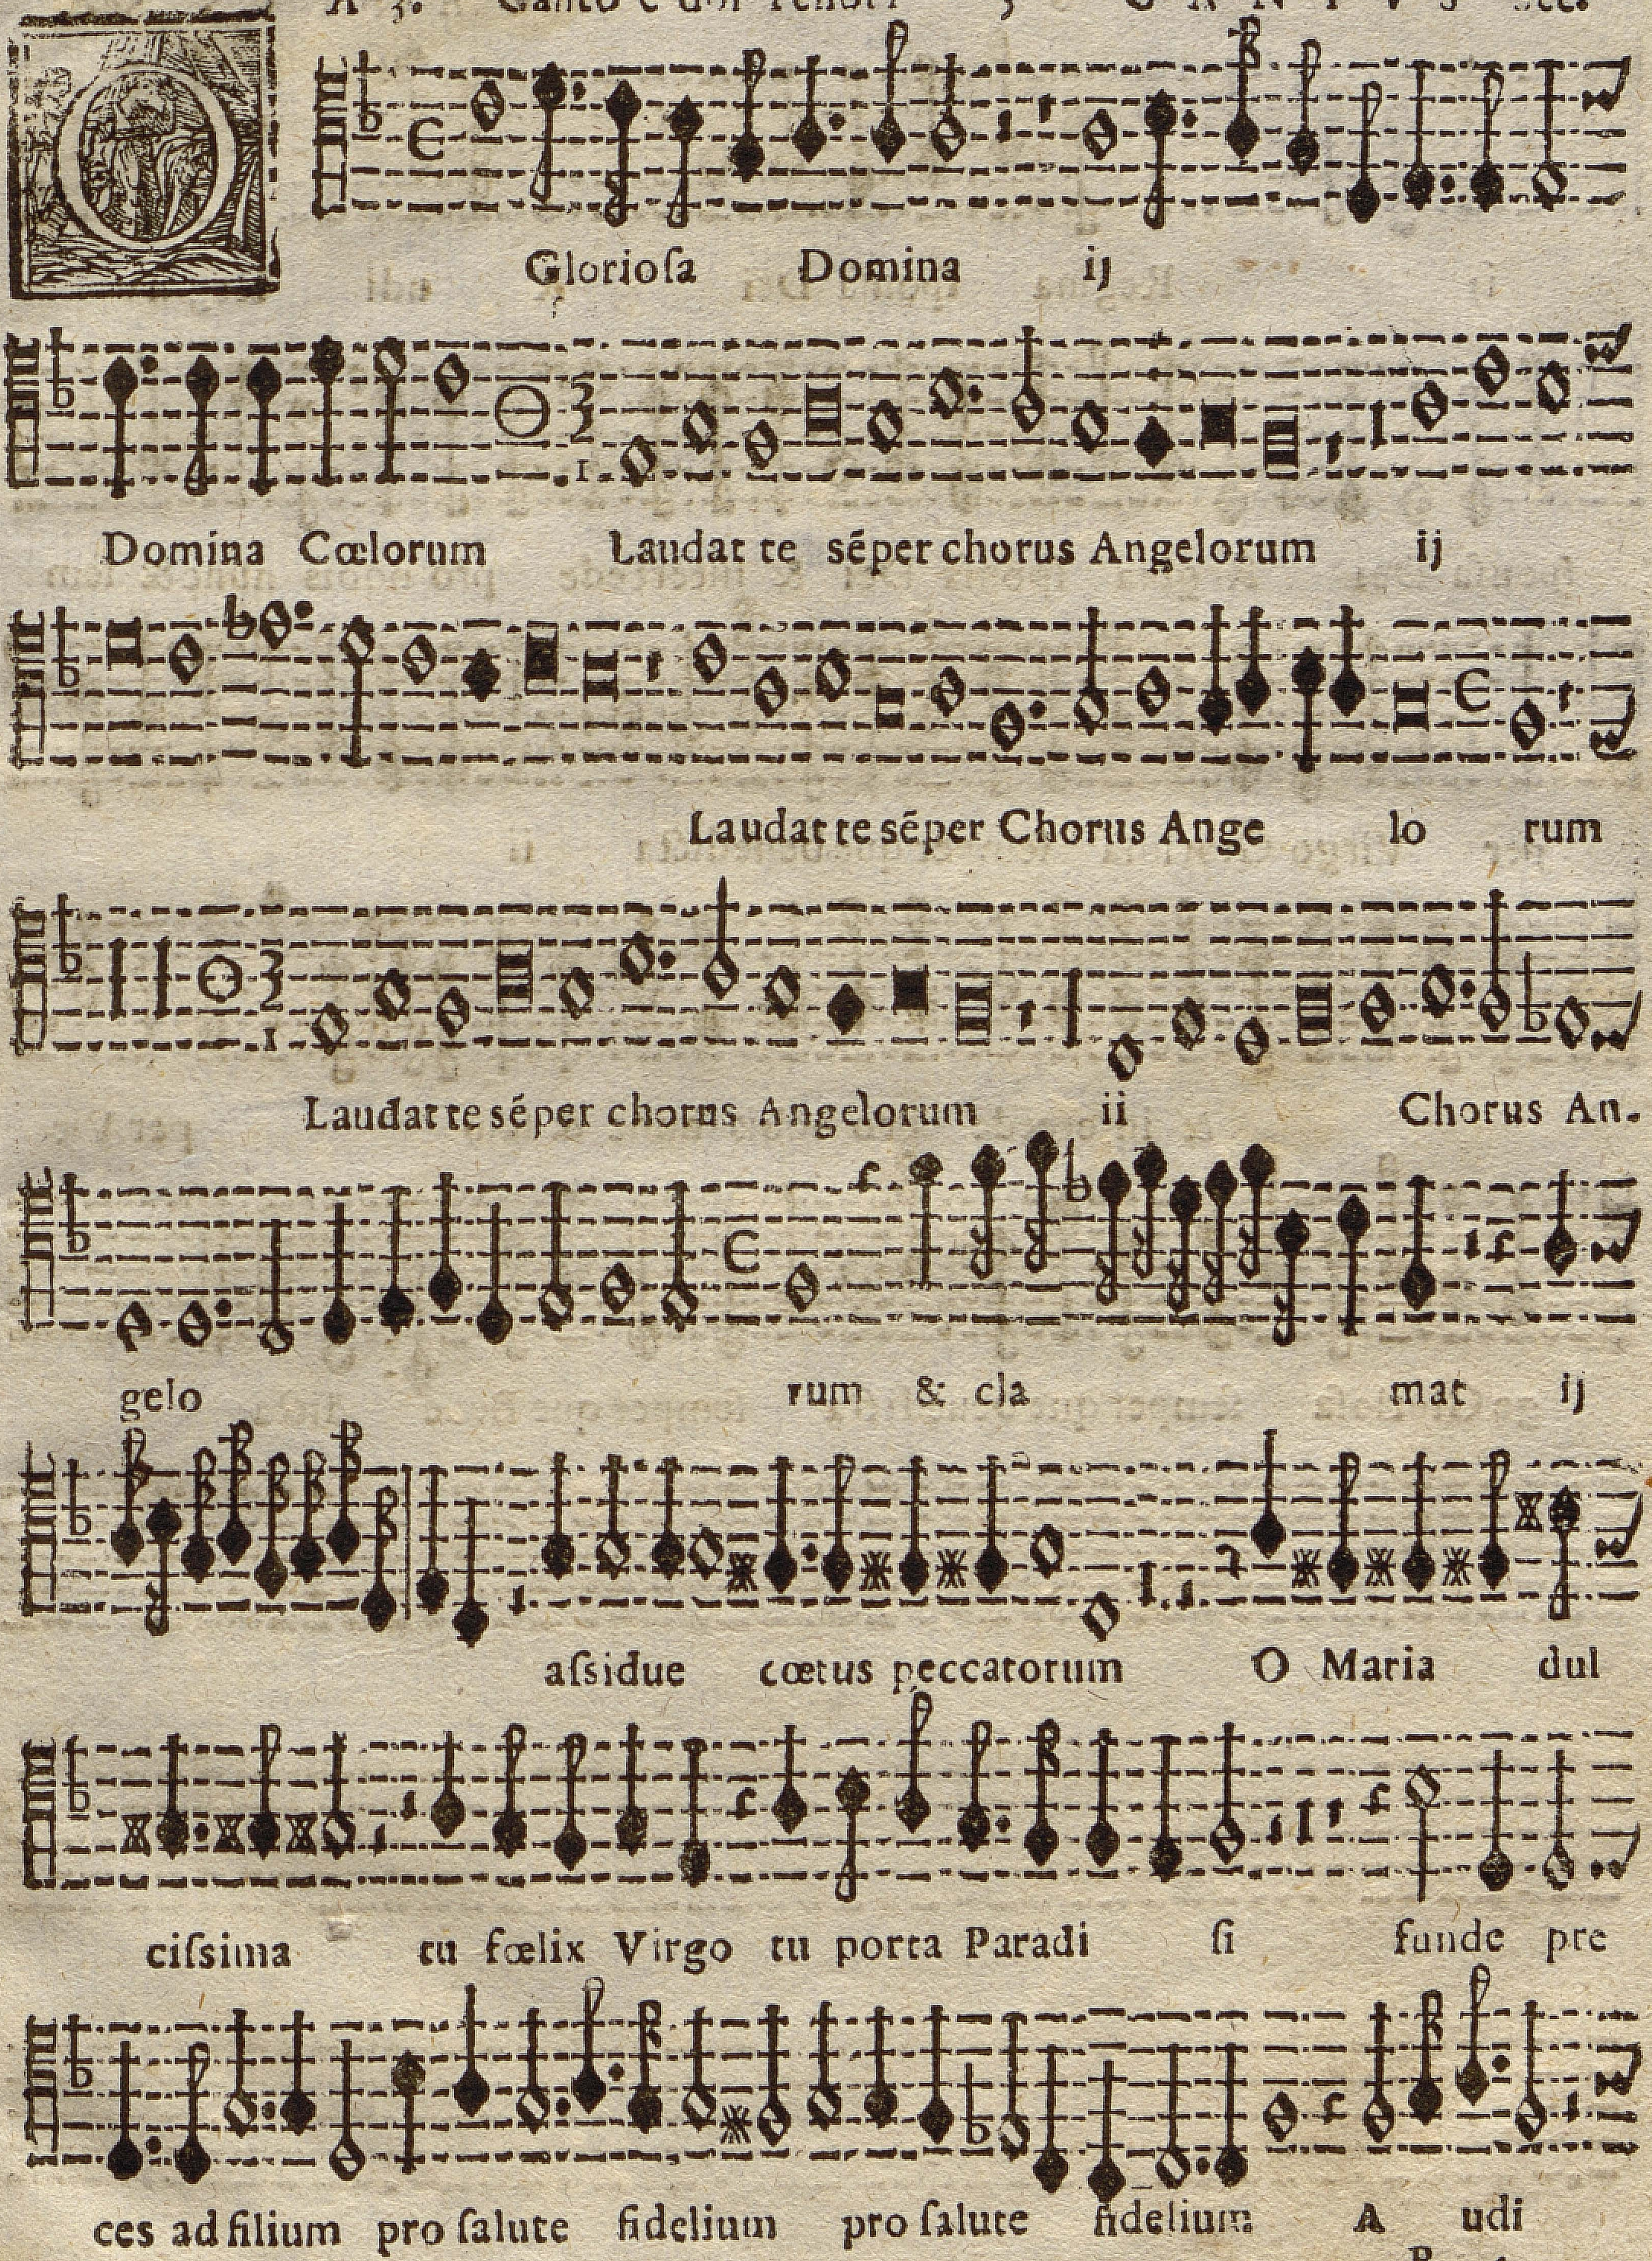

Carolus Phylagius Rodiginus.
